ABOUT YOURSELF

I am Pham Dinh Quoc Hoa, a fourth-year student majoring in Information Technology. I am a conscientious and enthusiastic individual with a tremendous learning spirit. Through my experience, I have acquired a high level of competency at teamwork and programming, which I believe will contribute substantially to the development of the company.

OBJECTIVE

As an organized and enthusiastic IT student seeking job as a fresher, I'm looking to be helpful and inspired, constantly better my knowledge, and gain practical experience in the real working environment. I desire to strive my best to make efforts and give a long-term commitment to the company. I look forward to dedicating myself and achieving my goal of becoming a full stack developer in the next 3 years.
